Subscribe to Carbonite Today!

Hurry! Subscribe before your Carbonite trial ends to ensure that your backup continues without interruption.

Dear Carbonite User,

It's always wise to "try before you buy." Hopefully, your FREE Carbonite trial has given you the chance to see just how easy it is to protect your computer, Charley-Eastmans-iMac, with online backup. But now your trial is almost over. And that means you have a choice:

You can either do nothing... which means you'll lose your Carbonite backup, and risk losing valuable files with no means of recovery. Or, you can [become a full Carbonite subscriber](#) for **only \$54.95 per year for UNLIMITED backup** and enjoy the peace-of-mind of knowing you're protected against the catastrophe of data loss.

Make sure you continue to enjoy these Carbonite benefits:

- Silent, automatic backup while you work
- Double encryption to ensure your privacy and security
- Fast, easy recovery with just a few clicks
- Technical support via phone, or email – we're there when you need us

[Subscribe now](#) to ensure that your backup continues without any interruption.

Sincerely,

The Carbonite Team

What other customers have to say:

"I've used Carbonite in the past and LOVE IT!!! **Before, I let my subscription go and unfortunately my old computer crashed.** It made me realize how little Carbonite costs compared to how much it's going to cost me to replace everything."
- Zipporah Sandler, Florida

P.S. There are only 3 days left before your free trial period ends.
[Subscribe today](#). Don't worry, we'll still give you the 3 days left in your trial for FREE.
